MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: TRADOC Policy Letter 9, Consideration of Others (CO2)
Program

1. References:

a. Department of the Army Consideration of Others Handbook,
11 Mar 98.

b. AR 600-20, Army Command Policy, chapter 6, 18 Mar 08.

2. I strongly support the TRADOC CO2 Program as a way to maintain our values-based Army, benefiting our organizations and this command. The program encompasses a training methodology that utilizes small group interactive discussions. When effectively executed, the CO2 methodology engenders trust, builds cohesion, and improves the organizational climate.

3. I expect commanders and directors to tailor programs to their organizations and publish a written policy indicating support for the CO2 Program.

4. This policy is effective for 2 years from the published date.
